About Mjog

Mjog is a fully automated text and voice messaging service, which reduces missed appointments and assists with health or promotional campaigns.

Approximately 1 in 10 people miss their appointments and have to wait for another

Missed appointments cost the NHS £millions.

Missed appointments delay your treatment and increase waiting times for all patients.

Mjog Features:

- Free automated appointment reminders (sent by text to your mobile phone)
- 2 Way messaging (you pay the cost of a normal text message)
- Appointment cancellation function if you no longer need your appointment
- Health campaign invitations/automated patient recalls
