Dear Patient,

### ***Registration to use Wetmore Road Surgery On-line Facility***

Thank you, for applying to use our online facility. Before you can begin to use Patient Access, you will need to create an account. The details provided in this document will help you to do this.

Once you have created your Patient access account, please retain the letter for your own reference while using the service.

To create an account please go to '<http://www.wetmoreroadsurgery.co.uk>.' and click on the link for a booking appointment or ordering on-line Repeat Prescriptions. The Patient Access site will be displayed, showing the option to register with the service or, if already registered, access the service (See Below)

There are two registration screens. The information you enter on the first screen enables the system to check your identity when you logon. The second screen you enter a password and security details that no-one else will know, which you will use to access the service in the future and the practice will use this to authenticate you in relation to Patient Access.

Once you have registered you will be asked if you wish to sign in, once completed you will be taken to the Welcome screen (see below)
