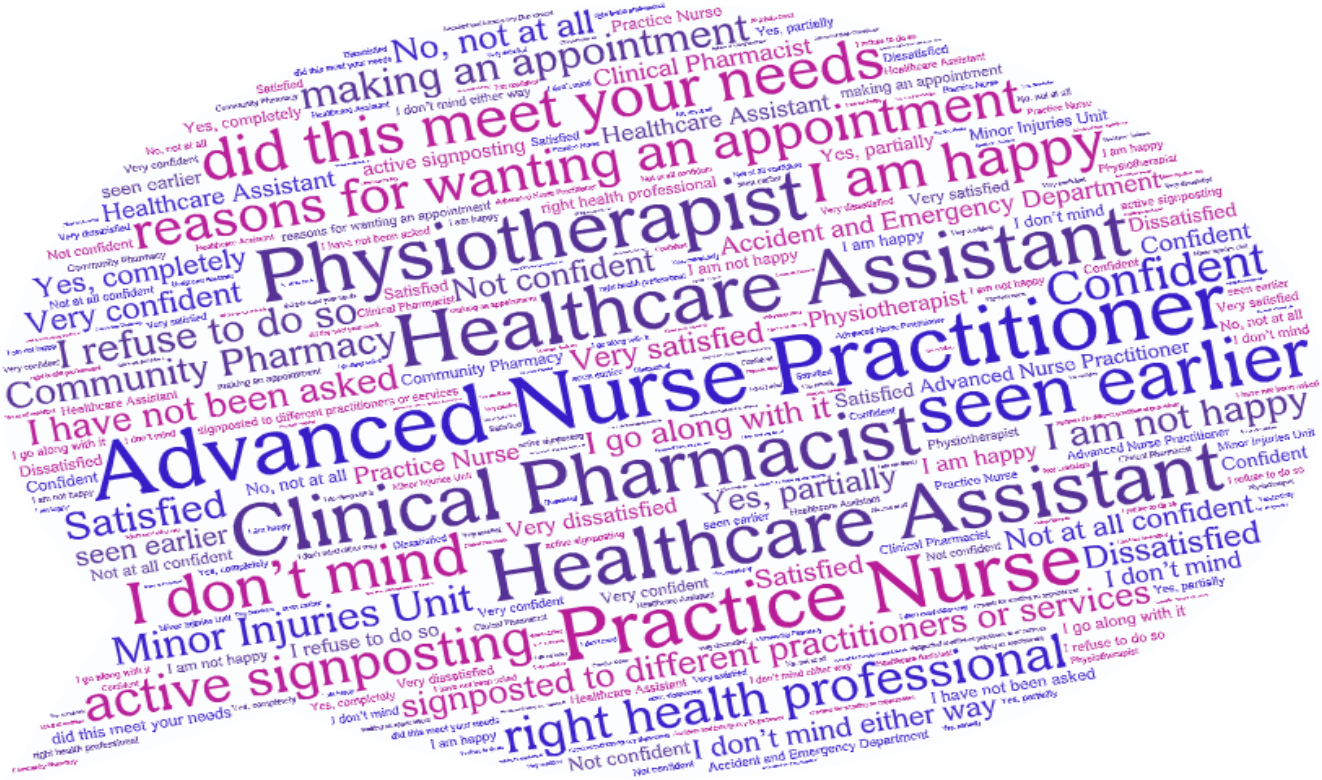
Have you had an appointment with your GP in the past 12 months?

If so, were you asked questions in order to signpost you to the most appropriate Practitioner?

E.g. Advanced Nurse Practitioner, Pharmacist etc?

If so, we would like to hear of your experience



Healthwatch Staffordshire is undertaking a study on behalf of the 4 South and East Staffordshire Clinical Commissioning Groups to find out about Patient's views of Active Signposting (also known as 'Care Navigation'). The purpose of this is to inform an evaluation of this way of working and help to improve this for patients in the future.

Please help us and have your say by completing the short survey by following the link below:
